

Jaron Schlesinger

Partner

Economist and Econometrician
MA UZH Economics / DAS ETH

Jaron Schlesinger studied economics at the University of Zurich between 2005 and 2011, specializing in microeconomics and econometrics.

During his studies from 2008 to 2011 he worked as a research assistant at the Institute of Economics at the Chair of Microeconomics and Experimental Economics at the University of Zurich. In autumn 2009 he completed an internship in the field of economic models at the Swiss Economic Institute KOF in Zurich.

After graduation, Jaron Schlesinger completed a six-month internship in the field of economics and labor at Prognos AG - European Center for Economic Research and Strategic Consulting.

Between 2015 und 2017, Jaron Schlesinger completed the DAS in Applied Statistics at the ETH Zurich.

Since April 2012, he has been working at Fahrländer Partner Raumentwicklung, and since 2018 he is a partner and member of the board of directors.

Jaron Schlesinger is a lecturer at the Swiss Institute of Real Estate Appraisal SIREA. He teaches statistical methods in real estate valuation.
