

Manuel Lehner

Partner & BD

Urban Planner
MSc ETH

After his skilled trade apprenticeship, Manuel Lehner completes his engineering studies at the Bern University of Applied Sciences between 2003 and 2006. He then studies at the ETH Zurich and acquires a Master of Science in Spatial Development and Infrastructure Systems. The focus of his studies is on Space and Traffic Planning as well as Spatial Statistics and Econometrics. After completing his degree, he works for six months as a freelancer at the ETH Future Cities Laboratory. From 2007 to 2011, he works as a research assistant at the Geoinformatics Department of the Zurich University of Applied Sciences (ZHAW).

Since December 2011, he has been working at Fahrländer Partner Raumentwicklung, and since 2015 he has been a partner and a member of the Board of Directors.

He teaches Statistical Methods in Property Valuation and Location and Project Development at ETH Zurich, as well as at the Universities of Applied Sciences in Lucerne (HSLU), St. Gallen (FHS) and Zurich (ZHAW). Manuel Lehner is a lecturer at the Swiss Institute of Real Estate Appraisal SIREA.
