

# Stefan Fahrländer

## Partner & COB

Economist and Econometrician  
Dr. rer. oec.

After his studies in economics at the University of Berne (1992 to 1998), Stefan Fahrländer worked at the German Institute for Economic Research DIW in Berlin. His research topics were direct and indirect taxation of households in Germany. From 1998 to 2001 and from 2003 to 2005 he worked for the real estate consultancy Wüest & Partner in Zurich where he analysed real estate markets and developed and implemented statistical real estate valuation models.

From 2001 to 2002 he was employed by the Swiss Ministry of Defence to serve as a United Nations Military Observer in the Middle East.

From 2003 to 2005 Stefan Fahrländer studied applied statistics at the Federal Institute of Technology in Zurich. In summer 2006 he published his PhD thesis on the hedonic analysis of Swiss markets for private properties.

He founded Fahrländer Partner Raumentwicklung in January 2006. He is partner and Chairman of the Board of Directors.

He teaches at several colleges, at the CUREM of the University of Zurich and at the University of Stuttgart. He is also a member of the Federal Commission on Noise Abatement, EKLB, a member of the board of the Swiss Real Estate Investment Data Association REIDA as well as a Chairman of the Board of the Swiss Institute of Real Estate Appraisal SIREA.

He is also certified as «legal expert in Real Estate Value Estimation» according to the norm SEC 04.1 (n. 0117).
